

Talk About It

Bottom Line

God won't allow the wrong you've committed to obscure the good he created.

Scripture

Exodus 2:1-22

Conversation Questions

1. List below or discuss with your group some part of life you'd rather avoid than embrace and prefer to escape rather than address.
2. Have you ever known anyone who lived 'off the grid'? If so, what was the result in that person's life? How did it impact your relationship with that person.
3. Short of a full-scale disconnection from all of modern life, what would an "off the grid" day look like in your setting?
4. List all the ways Moses is hidden or hides in Exodus 22. What is the author telling us about the book's hero?
5. If you were a geode, what is the crystalline beauty buried deep within you but sometimes obscured?
6. What's the difference between starting the Bible's story of humanity at Genesis 3 vs. Genesis 1?
7. Who will you invite to Week 2 of On The Grid?

Icebreaker
